: **Description:**

Arising Species - The New Romanian Theater - a new Event organized by the Romanian Cultural Institute of Vienna. On your right you have the Poster / Programme leaflet we designed for the event. It's the first project where we used our new in-house font METABO57 ... New Theater / New Font ... Fair enough. This one is printed also in 2 colours - with nice overprints - on A2 Silky matte paper. Photos will follow ... at some point in time anyway...
