**WOOO HOOO ERWIN**

**25.10.09**

We know this is not our news but we just couldn't stand here and just be happy by ourselves for our very good friend and a dear colleague Erwin Bauer

from Vienna. As a graphic designer himself he just won a very important award, namely and no other than Austria's prestigious 'Austrian of The Year' distinction. ----We don't know any other graphic designer who got a similar distinction within his own country... If anyone knows please drop us a line.
